

## Removal & Insertion of a Suprapubic Catheter

(Click on the title to access the video)

In this 4:20 minute video you will learn:

- What a suprapubic catheter is.
- When is the catheter considered to be established.
- How to remove & insert an established suprapubic catheter.

Please note, the video may take 1-2 minutes to download.

The video has been developed by the British Columbia Provincial Nursing Continence Committee and is posted on CLWK for your personal development; you can review it as often as you wish.

The CLWK site does not provide certificates of completion; if you need to have a record that you have completed this video, please access the video through the British Columbia LearningHub site or the Yukon Learning Management System site.
