June 9th, 2023	Module	NPWT Level One: Monitor & Manage Module	Revised: ensured not to repeat information that is in the Learning Plan. Tighten-up wording for the Adverse Events screen as well as added in what to do in the event of S&S of wound infection. Reviewed/revised Learning Activities to strengthen the learning of what to do in the event of an alert/alarm. These learning activities and the knowledge quiz should prepare the nurse to do a safety/monitoring check without the need for a return demo with Mentor (unless needed as per Mentor).
May 20, 2023	Education Requirements & Competencies	NPWT Level One: Monitor & Manage Competencies	Revised: reformatted to set up return demonstration of safety/monitoring check to be at the CNE/Nurse Mentor discretion. Moved previous Skill statements re identifying where to find information on alerts/alarms and canister change to Knowledge section as well as adding statement re identifying where to find information on NPWT device safety considerations.
May 20, 2023	Education Requirements & Competencies	NPWT Level One: Monitor & Manage Lesson Plan	Revised: removed the requirement of doing a return demonstration for how to do and document a safety/monitoring check.
