Discontinued/Completed:

		Removal of Dressing – Open Wound NPWT Video#6: Irreparable Air Leak Device Failure: Alternate Dressing -Take Down NPWT Video#5 Irreparable Air Leak Device Failure: Alternate Dressing – Cut & Cover	Revised: each video reviewed and video tightened up to shorten its length where possible; new voice-over done.
June 9th, 2023	Module	NPWT Level One: Monitor & Manage Module	Revised: ensured not to repeat information that is in the Learning Plan. Tighten-up wording for the Adverse Events screen as well as added in what to do in the event of S&S of wound infection. Reviewed/revised Learning Activities to strengthen the learning of what to do in the event of an alert/alarm. These learning activities and the knowledge quiz should prepare the nurse to do a safety/monitoring check without the need for a return demo with Mentor (unless needed as per Mentor).
May 20, 2023	Education Requirements & Competencies	<u>NPWT Level One: Monitor</u> <u>& Manage Competencies</u>	Revised: reformatted to set up return demonstration of safety/monitoring check to be at the CNE/Nurse Mentor discretion. Moved previous Skill statements re identifying where to find information on alerts/alarms and canister change to Knowledge section as well as adding statement re identifying where to find information on NPWT device safety considerations.
May 20, 2023	Education Requirements & Competencies	NPWT Level One: Monitor & Manage Lesson Plan	Revised: removed the requirement of doing a return demonstration for how to do and document a safety/monitoring check.
May 19, 2023	Mini - Product Information Sheet	<u>PolyMem</u>	New document: backorder sub for two sizes of Adaptic Digit.
May 11, 2023	Product Information Sheet	EdemaWear	Revised: in the Key Points/Compression Therapy section, removed all references to compression wraps as EdemaWear is a stocking.
May 11, 2023	Product Information Sheet	Tubigrip (Lower Leg Application)	Revised: in the Key Points/Compression Therapy section, removed all references to compression wraps as Tubigrip is a stocking.

May 11, 2023	Decision Support Tool	Urostomy Urine Collection	New document.
	Procedure	for C&S: Procedure
